

Agreed Minutes 2021

Principal John Horan has informed the Board of his intention to retire which brings to the end 51 year association with the school. Summer works scheme is currently at the tender phase. Substance abuse policy has been ratified by the board. Thank you to those who helped to create it. The Leaving Cert portal has opened and students have been supported through. The board reviewed it's risk assessment and identified target areas. The school is yet to receive its allocation. The senior options have proved difficult due to school closures. School supports are in place to support students as they are phased back to school. Staff meeting will take place to decide on the assessment process for 3rds years. The board's acknowledgement of all the schools hard work was very well received.
