

Agreed Report April 4th 2022

A normal Board of Management meeting took place on April 4th.

The finances of the school were reviewed. The Board approved an updated Anti Bullying Policy. The school received a positive inspection in the area of anti-bullying. The inspector noted the school exhibited a warm and friendly teaching environment. The school is preparing for the incoming students with three days of assessments planned.

The Board approved an Enrolment Policy for LCA. Leaving Cert Applied students will see an increase in accessibility to digital devices. The Board completed its annual risk assessment. Through this process the Board has identified social media as its area for improvement in the next academic year. St. Vincent's is registered as a Creative School. We look forward to seeing creative school initiatives rolling out in the next academic year.

The summer works project will take place over the Easter holidays. The orals due to take place during this period will now be held in the Primary School. We thank St. Vincent's Primary School for accommodating us.

The school still notes high number of absenteeism. The 6th year graduation takes place on May 20th at 7:00.
